

## **SUPERVISOR COMMENTS**

### **MAY 2018**

#### **Flags ...**

Beginning next Monday evening at 6 p.m. we will be placing new flags on the gravesites of our Veterans, so if you can help us, that's where we'll be and no experience is needed.

#### **100-Year Celebration ...**

It seems like just yesterday it was 1917 and Sims Township didn't exist, but look at us now 100 years later! On June 2<sup>nd</sup>, from 1 p.m. to 5 p.m. we'll be having a party celebrating our 1<sup>st</sup> 100 years as Sims Township. Christine Cushen is our Chairperson and in concert with our office staff, are putting together what should be an enjoyable afternoon. Can't have a big party without big tents, games for the kids, good food and Happy Music from the Kowalski Bros. Polka Band. So spread the word, come out, and enjoy yourself with friends and neighbors. Hope to see all of you at our 200-year celebration, thanks to the soon-to-be-coming advances in medicine and science!

#### **Water Plant Update ...**

The water plant does not get top billing in our comments any longer, as there is really not a lot to report. Spicer is finishing up some loose ends, most of which has to do with finish landscaping. The water quality and clarity is better than it's ever been. It's safe to say the project is 99.9% completed.

#### **Final Thought ...**

*"The best antidote for worry is work. The best cure for weariness is the challenge of helping someone who is even more tired. One of the great ironies of life is this: He or she who serves always benefits more than he or she who is served."*

G. B. Hinckley
