Condolences to Fran Semenick and his Family ...

We are saddened to hear of the passing of Carolyn Semenick on 9/13 after a long illness. Many of our residents know Fran and Carolyn, as she was active as a “Master Gardener” in the AuGres Garden Club and active in St. Paul’s Lutheran and United Methodist Churches in AuGres and belonged to the Whitney Township Auxiliary. Cremation has taken place and a celebration of her life will take place at a date to be determined, with internment in the Sims-Whitney Cemetery. *Eternal rest grant to Carolyn, O Lord, and let perpetual light shine upon her; may her soul and all the souls of the faithful departed through the Mercy of God, Rest in Peace.*

Water Plant Update ...

As you may recall, the original windows at the new plant were less than expected as they were aluminum and were not insulated well. One of the punch list items called for replacement of those windows with wood-vinyl units and the new windows have been installed and the operators are pleased with the result.

Final Thought ...

Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young. [Henry Ford](#)
