

SUPERVISOR REVIEW
FEBRUARY 2023

OUR NEW TOWNSHIP CLERK ... We welcome Jill Sanzo to our Board and we hope she stays around for a long time and yes, we will upgrade the salary to encourage Jill to stay with us!

ANNUAL MEETING ... This year the meeting will be held on March 25th at 10. We will review what has been accomplished the past year. We will review Truth in Taxation, the new mileage rule and the Board and Staff salaries. Our township salaries lag way behind other township salaries in the state due to a thirteen-year failure to increase salaries at all by previous Sims administrators. Over the last six years, we have made incremental increases yearly and we are hoping the public sees our dilemma and pushes us over the more than average mark for this year.

BOARD OF REVIEW CONFERENCE ... Last Thursday, Judy and Diane attended the one-day conference in West Branch and came away only mildly confused with the most recent changes. To add to that, they had the opportunity to drive home in one of our few late afternoon snowstorms of the year and so the going was a little slower.

IN OTHER NEWS ... The only thing happening at the Transfer Station is Bonnie has been handing out a memo to the residents of the change in hours beginning April 1st. The TS will no longer be open on Sundays but will have expanded hours during the week. Rather than opening at 10 and closing at 430, on Mon, Wed and Sat, the new hours will be 9 – 6 for those 3 days and will continue as such until the time change on Nov 5th when it ‘falls back’ to 9 – 430. Regarding the Cemetery, Johnny Z will continue as the Groundskeeper for 2023.

FINALE ... “If Jan is the month of change, then Feb is the month for lasting change. Jan is for dreamers ... Feb is for doers. You may never know what results come of your actions, but if you do nothing, there will be no results. There is always in February some one day, at least, when one smells the yet distant, but surely coming, summer. February is short and very sweet.” Author Unknown
