Election ... Get out and vote Feb 27, 7 a.m. to 8 p.m. – Get those Absentee Ballots turned in ASAP in the drop box on the parking lot side and **NOT** in the bill-paying slot near the front door and if you don't want to take part in the process and vote, then you probably won't be complaining?

Township Update ... There's not much happening over the last few weeks regarding the cemetery and transfer station, other than on 2/14, a service tech from Speed Tech will try to determine why the old compactor is not operating as it should. They've been working on this for months and can't seem to find a solution. Luckily, for the townships, most of the work, so far, has been covered by our annual service contract. Other news is, we've obtained three bids from asphalt companies in the area to grind up and replace the asphalt at the hall parking lot as it has many problems that cannot be remedied by just re-coating the surface. The area around the central drain has cracked and broken as the base material beneath the drain has and is failing.

March Board of Review ... Dates and times to keep in mind are the 5th, which is the Organizational Meeting for the board members at 5 p.m. The Public Protest Sessions are March 13th, from 9-3 and March 14th from 3-9.

Finale ... *Winter Poem*

*once a snowflake fell
on my brow and I loved
it so much and I kiss
it and it was happy and called it's cousins
and brothers and a web
of snow engulfed me then
i reached to love them all
and I squeezed them and they became
a spring rain and I stood perfectly
still and was a flower*
